## WHO WE ARE

Our Youth Leadership Program (YLP) is a federally-funded program designed to provide educational opportunities to eligible students ages 12-18. The purpose of our program is to encourage life and leadership skills through activities on leadership, college planning, social justice, and more. Students who complete YLP will be able to describe how good character aids in the attainment of their goals, emotional health, and healthy relationships. Students will also be able to demonstrate critical thinking, decision-making, and problem solving skills. Enrollment is year round, pending the availability of slots.
